

## Full-stack Developer

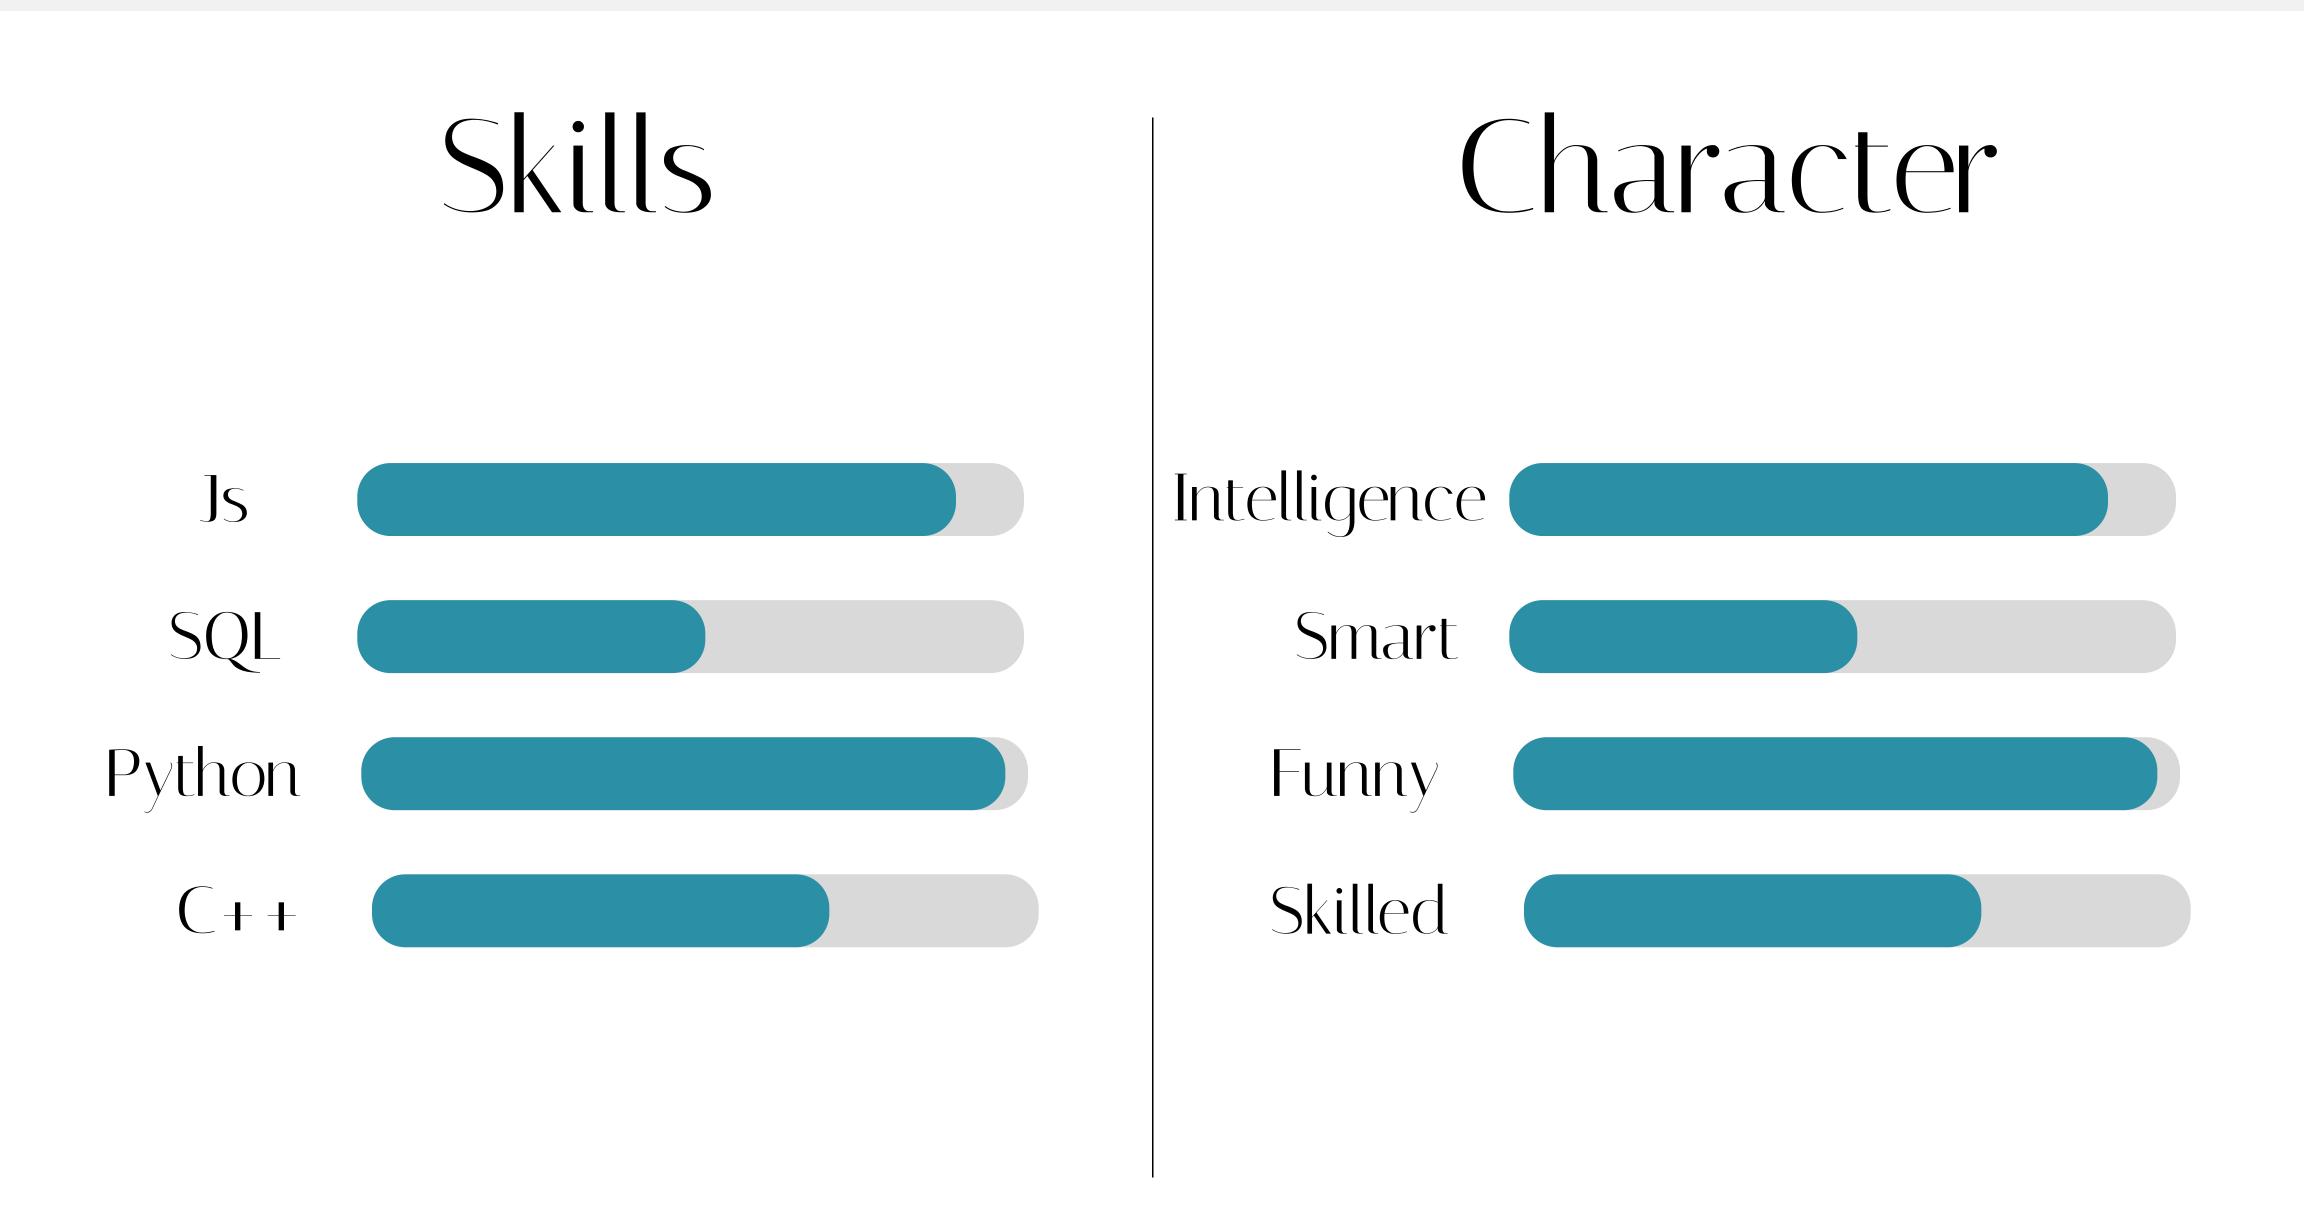

Igor Hajduk

I love programming, I am very creative and take great inspiration from people more experienced than I am. I always give my 100% for every project.

## Projects

Super cool project #1 Super cool project #2 Super cool project #3

> These are my favorite projects and I'm really proud of them

In my free-time I like to go gym and lift heavy, but I don't lift heavy always because I get sore. I also train supplies and krav-maga and other sports. I like running.
